Complete one Patient Care Volunteer Time Sheet for every week in which there was some activity.

Fill out one line on the Time-Sheet for each Contact Record.

Line through and initial any changes you make on the Time-Sheet.

Sign and date the Time-Sheet before mailing or faxing to:

Patient Care Volunteer Coordinator
Hospice of Humboldt
2010 Myrtle Avenue
Eureka, CA 95501

Codes

- A220** Volunteer Meetings & Training. This includes monthly Volunteer Support Meetings as well as meetings between the Volunteer and the Patient Care Volunteer Coordinator or any other member(s) of the Interdisciplinary Team. It also includes the initial pre-service training and orientation that Volunteers receive as well as the four required Continuing Education meetings.
- A221** Community Relations. Activities such as participation at Health Fairs or other events, speaking engagements, and other venues where Hospice may have a booth or presence
- H200** Home, Skilled Nursing Facility, Residential Care Facility or hospital visit for hospice patients. All time spent providing care for one of our patients or families. Please list the patient's name and chart number and record the number of minutes spent and the miles driven traveling to and from the visit location.
- H201** Telephone calls related to care for a specific patient or family. Calls may be to the patient, family, Volunteer Coordinator, or other member of the Hospice Interdisciplinary Team (IDT). Please list the patient's name and chart number and record the

number of minutes spent on the phone call. Draw a line through the sections for Travel Time and Miles Traveled.

- B200** Bereavement visit. Any visit related to bereavement for one of our patients, after the death of the patient. Note that such visits must be approved in advance by the Patient Care Volunteer Coordinator in consultation with the Interdisciplinary Team.
- B201** Telephone calls related to a specific patient after that patient has died. Calls may be to the family, Volunteer Coordinator, or other member of the Hospice Interdisciplinary Team.
